Five Govt Sr. Sec. Schools selected for participation in Next Generation Program

Kullu, Sept 18 :

The BPMU- Kullu has selected the top five schools securing the highest scores out of 11 schools, whose heads had given the consent for the allowing students participation in the Next Generation Program of the project.

Mr. Sanjay Kumar (AO), Mr. Himanshu Thakur (AO), Mrs. Jaya Pradha (AEO), Mrs. Monika Saini (AEO) visited various schools to assess the eligibility in connection with the implementation of the Programme for the Next Generation Program.

The objective of the program is se cc to create awareness and interest among school students regarding agriculture, allied activities, modern farming practices, climate-resilient agriculture, nutrition, livelihood opportunities and agriculture as a potential career.

The selected schools included Government Senior Secondary School (GSSS) Udaipur of Lahaul & Spiti, GSSS, Shallang, Tehsil & Distt. Kullu, GSSS, Bajaura, Tehsil & Distt. Kullu, GSSS, Bran, Tehsil Manali of Dist. Kullu (H.P) and GSSS, Kais, Tehsil & Distt. Kullu (H.P.).

These are the five government schools shortlisted for further implementation of Programme of Next Generation of the HPCDP Project-II, JICA-ODA in this BPMU. These five schools were selected out of 11 government schools in Kullu & Lahaul-Spiti districts covered by the BPMU- Kullu.

Criteria for the selection of top five government senior secondary schools for the Next Generation Program of the project included the proximity to HPCDP cluster (within 5-10 km)-20 marks, functional Eco/Science/ Nutrition Club- 15 marks, Agriculture exposure (vocational/family background)- 20 marks, willingness of school (Principal's consent)-15 marks, infrastructure for training-10 marks, students interest base -10 marks, accessibility (Road connectivity)-10 marks. Total marks-100.
